I. Overview of Claim

1. The Debtor, as seller, and Structured Asset Securities Corporation (the "Depositor") as purchaser entered into mortgage loan sale and assignment agreements (each a "Mortgage Loan Agreement" and collectively, the "Mortgage Loan Agreements") under which

the Debtor sold certain mortgage loans to the Depositor. The Depositor, Structure Asset Securities Corporation Reverse Mortgage Loan Trust 2007-RM1 (the "Issuer") as issuer and the Trustee, *inter alia*, are parties to a certain transfer and servicing agreements (each a "Transfer Agreement" and collectively, the "Transfer Agreements") under which certain mortgage loans and other rights, obligations and property were assigned from the Depositor to the Issuer. The Issuer and the Trustee entered into certain indentures (each, an "Indenture" and collectively, the "Indentures") under which certain mortgage loans and other rights, obligations and property were granted to the Trustee.¹ In connection with the Mortgage Loan Agreements, Indentures and Transfer Agreements, as of June 30, 2009, the Trustee holds claims against the Debtor in an amount not less than \$927,988.327.14 in addition to the unliquidated claims described below (each, a "Claim" and collectively, the "Claims"). A portion of the Claim is contingent and a portion of the Claim may be entitled to administrative priority. The Claims are specifically made up of the items set forth below.

II. Components of Claim

A. Repurchase, Purchase, or Substitution of Mortgage Loans

2. In the event of a material breach of certain representations and warranties made by the Depositor with respect to a Mortgage Loan, or a material breach of certain representations and warranties with respect to a Mortgage Loan made by the Seller or any Transferor, the benefit of which was assigned to the Trustee, the Depositor, the Seller, or the Transferor, as applicable, is required to (a) cure such breach in all material respects; (b) cause the material breach to be cured by another party, or (c) repurchase such Mortgage Loan or any property acquired in respect thereof at the Purchase Price. In general, with respect to a

¹ All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture and the Transfer Agreement.

Mortgage Loan, the Purchase Price is defined as the sum of (x) the Outstanding Amount of such Mortgage Loan as of the date of repurchase, plus any interest accrued thereon at the related Mortgage Rate and not previously added to such Outstanding Amount, and (y) any costs and damages incurred by the Trust in connection with any violation of any anti-predatory or anti-abusive lending laws with respect to such Mortgage Loan. Exhibit A attached hereto lists the number of Mortgage Loans that constitute Trust Account Property as of June 30, 2009 and the aggregate unpaid principal balance of such Mortgage Loans as of such date.

3. The conveyance of the Seller and the Depositor's right, title, and interest in and to the property constituting the Trust Account Property under the Transfer Agreement and Indenture was intended by the parties to constitute a sale of such property, not a grant of a security interest to secure a loan. However, in the event such conveyance is deemed to be in the nature of a loan, the Depositor granted to the Issuer and the Issuer granted to the Trustee, for benefit of the Holders and the Certificate Insurer, a first priority security interest in all of the Debtor's right, title, and interest in or to all property constituting the Trust Account Property and certain other property as set forth in the granting clauses of the Indenture in order to secure the obligations in connection with such loan. The Trustee reserves all of its rights as the holder of a secured claim in the event that the conveyance is determined to be in respect of a loan.

B. Reimbursement of Certain Fees and Expenses

4. Pursuant to Section 6.07 of the Indenture, the Trustee is entitled to reimbursement of reasonable expenses, disbursements, and advances incurred or made by the Trustee in accordance with the Indenture, including the fees and expenses of the Trustee's agents, counsel, accountants and experts. As of June 30, 2009, the fees and expenses, and certain other expenses of the Trustee, are not less than \$1,662.24.

5. In connection with the transactions described in the Indenture and Transfer

Agreement, the Trustee entered into one or more custodial agreements, whereby a custodian agreed to hold documents on behalf of the Trustee and to cooperate with the Master Servicer in the performance of certain duties of the Master Servicer under the Indenture, Transfer Agreement and other agreements (each such agreement, a "Custodial Agreement"). Pursuant to the Custodial Agreement, the fees and expenses of the custodian are to be paid by the Seller on behalf the Depositor. The fees and expenses of the custodians, as of June 30, 2009, are not less than the amounts shown on Exhibit A attached hereto. Additional fees and expenses will continue to accrue during the term of the transactions described in the Indenture and Transfer Agreement, and such additional fees and expenses are part of this Claim.

C. Additional Unliquidated Claim

6. If it is determined that the Seller has engaged in any fraud or other improper acts (including, without limitation, accounting or financial irregularities, errors, or misstatements) that placed the Seller in economic distress or otherwise directly or indirectly damaged the Trust Fund, the Trustee reverses the right to amend this Proof of Claim.

III. Set-Off and Counterclaim

7. No judgment has been rendered on the Claim. The amount of all payments on this claim has been credited and deducted for the purpose of making this Proof of Claim. The Claim is not subject to any setoff or counterclaim.

IV. Supporting Documents

8. Due to their voluminous nature, copies of the Indentures and Transfer Agreements and the related agreements are not attached hereto. The Depositor should have copies of these documents in its possession. Such documents will, nevertheless, be made available on a confidential basis as required.

V. Reservation of Rights and/or Remedies

9. Nothing contained herein, nor the filing of this Proof of Claim, shall constitute or be construed as an admission by the Trustee of any liability or an election by the Trustee of any remedy or any acknowledgment of the positions of the Trustee with respect to any issue that is the subject of this Proof of Claim. The Trustee has filed this Proof of Claim under compulsion of the bar date established in these chapter 11 cases and to protect the Trust Fund from forfeiture of its claim against the Debtor by reason of such bar date. This Proof of Claim is in addition to, and not in lieu of, any other proof of claim filed by the Trustee or by Citibank, N.A. in its individual capacity, in these chapter 11 cases. The Trustee reserves the right to assert an administrative expense claim under 11 U.S.C. § 503 for obligations arising out of Depositor's post-petition activities and/or the Indenture and Transfer Agreement and/or any agreement, instrument, certificate, or document executed in connection with the Indenture and Transfer Agreement, as in effect post-petition. The Trustee reserves the right to amend and/or supplement this Proof of Claim at any time, including after any bar date, in any manner, including for purposes of fixing the amount of the claim described above together with interest, fees (including legal fees) and expenses due to the Trustee or the Trust Fund, and/or to file additional proofs of claim for any additional claims against Debtor or any of its affiliates which may be based on the same or additional documents or grounds of liability.

10. The filing of this Proof of Claim is not and shall not be deemed or construed as : (a) a waiver or release of the Trustee's rights against any person, entity, or property, or a waiver of the right to compel Seller to return property of the Trustee currently in the possession of Seller; (b) a consent by the Trustee to the jurisdiction of this Court or any other court with respect to proceedings, if any, commenced in any case against or otherwise involving the Trustee or the Trust Account Property; (c) a waiver or release of the Trustee's right to trial by jury in this Court or any other court in any proceeding as to any and all matters so triable herein, whether or not the same be designated legal or private rights or in any case, controversy, or proceeding related hereto, notwithstanding the designation or not of such matters as "core proceedings" pursuant to 28 U.S.C. § 157(b)(2), and whether such jury trial right is pursuant to statute or the United States Constitution; (d) a consent by the Trustee to a jury trial in this Court or any other court in any proceeding as to any and all matters so triable herein or in any case, controversy, or proceeding related hereto, pursuant to 28 U.S.C. § 157(e) or otherwise; (e) a waiver or release of the Trustee's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by the United States District Court; (f) a waiver of the right to move to withdraw the reference with respect to the subject matter of this Proof of Claim, any objection thereto or other proceeding which may be commenced in this case against or otherwise involving the Trustee; or (g) an election of remedies.

I. Overview of Claim

1. Citibank, N.A., as indenture trustee, and Structured Asset Securities Corporation Reverse Mortgage Loan Trust 2007-RM1, as issuer (the "Issuer"), are parties to SASCO Reverse Mortgage--Depositor

certain indentures (each, an “Indenture” and collectively, the “Indentures”).¹ The Debtor, the Issuer and the Trustee, *inter alia*, are parties to certain transfer and servicing agreements (each a “Transfer Agreement” and collectively, the “Transfer Agreements”). In connection with the Indentures and the Transfer Agreements, as of June 30, 2009, the Trustee holds claims against the Debtor in an amount not less than \$927,988,327.14 in addition to the unliquidated claims described below (each, a “Claim” and collectively, the “Claims”). A portion of the Claim is contingent and a portion of the Claim may be entitled to administrative priority. The Claims are specifically made up of the items set forth below.

II. Components of Claim

A. Repurchase, Purchase, or Substitution of Mortgage Loans

2. Pursuant to the Mortgage Loan Sale and Assignment Agreement, the Depositor acquired certain Mortgage Loans from Lehman Brothers Holdings Inc. (the “Seller”). The Depositor conveyed those Mortgage Loans, the Depositor’s rights and interest under the Mortgage Loan Sale and Assignment Agreement, and certain other property, as described in Section 2.01(a) of the Transfer Agreement, to the Issuer. The Issuer granted the Issuer’s rights under the Transfer Agreement, the Mortgage Loans and certain other property, as described in the granting clauses of the Indenture, to the Trustee. In the event of a material breach of certain representations and warranties made by the Depositor with respect to a Mortgage Loan, or a material breach of certain representations and warranties with respect to a Mortgage Loan made by the Seller or any Transferor, the benefit of which was assigned to the Trustee, the Depositor, the Seller, or the Transferor, as applicable, is required to (a) cure such breach in all material

¹ All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture and the Transfer Agreement.

respects; (b) cause the material breach to be cured by another party, or (c) repurchase such Mortgage Loan or any property acquired in respect thereof at the Purchase Price. In general, with respect to a Mortgage Loan, the Purchase Price is defined as the sum of (x) the Outstanding Amount of such Mortgage Loan as of the date of repurchase, plus any interest accrued thereon at the related Mortgage Rate and not previously added to such Outstanding Amount, and (y) any costs and damages incurred by the Trust in connection with any violation of any anti-predatory or anti-abusive lending laws with respect to such Mortgage Loan. Exhibit A attached hereto lists the number of Mortgage Loans that constitute Trust Account Property as of June 30, 2009 and the aggregate unpaid principal balance of such Mortgage Loans as of such date.

3. The conveyance of the Depositor's right, title, and interest in and to the property constituting the Trust Account Property under the Transfer Agreement and Indenture was intended by the parties to constitute a sale of such property, not a grant of a security interest to secure a loan. However, in the event such conveyance is deemed to be in the nature of a loan, the Depositor granted to the Issuer and the Issuer granted to the Trustee, for benefit of the Holders and the Certificate Insurer, a first priority security interest in all of the Depositor's right, title, and interest in or to all property constituting the Trust Account Property and certain other property as set forth in the granting clauses of the Indenture in order to secure the Depositor's obligations in connection with such loan. The Trustee reserves all of its rights as the holder of a secured claim in the event that the conveyance is determined to be in respect of a loan.

B. Reimbursement of Certain Fees and Expenses

4. Pursuant to Section 6.07 of the Indenture, the Trustee is entitled to reimbursement of reasonable expenses, disbursements, and advances incurred or made by the Trustee in accordance with the Indenture, including the fees and expenses of the Trustee's agents, counsel, accountants and experts. As of June 30, 2009, the fees and expenses, and certain

other expenses of the Trustee, are not less than \$1,662.24.

5. In connection with the transactions described in the Indenture and Transfer Agreement, the Trustee entered into one or more custodial agreements, whereby a custodian agreed to hold documents on behalf of the Trustee and to cooperate with the Master Servicer in the performance of certain duties of the Master Servicer under the Indenture, Transfer Agreement and other agreements (each such agreement, a "Custodial Agreement"). Pursuant to the Custodial Agreement, the fees and expenses of the custodian are to be paid by the Seller on behalf the Depositor. The fees and expenses of the custodians, as of June 30, 2009, are not less than the amounts shown on Exhibit A attached hereto. Additional fees and expenses will continue to accrue during the term of the transactions described in the Indenture and Transfer Agreement, and such additional fees and expenses are part of this Claim.

C. Certain Other Obligations of the Depositor

6. Pursuant to the Transfer Agreement, the Depositor has certain other duties and obligations, including, without limitation, the obligation to (i) take reasonable actions so that if a security interest is created pursuant to the Transfer Agreement, such security interest would be deemed to be a perfected security interest of first priority; and (ii) waive any stay or extension law whenever enacted. The Trustee holds a claim against the Depositor for any losses, liabilities, damages, penalties, fees or expenses incurred by the Trustee or the Trust Account Property directly or indirectly as a result of the Depositor's failure to perform any such obligations in a timely manner.

D. Additional Unliquidated Claim

7. If it is determined that the Depositor has engaged in any fraud or other improper acts (including, without limitation, accounting or financial irregularities, errors, or misstatements) that placed the Depositor in economic distress or otherwise directly or indirectly damaged the Trust Fund, the Trustee reverses the right to amend this Proof of Claim.

III. Set-Off and Counterclaim

8. No judgment has been rendered on the Claim. The amount of all payments on this claim has been credited and deducted for the purpose of making this Proof of Claim. The Claim is not subject to any setoff or counterclaim.

IV. Supporting Documents

9. Due to their voluminous nature, copies of the Indentures and Transfer Agreements and the related agreements are not attached hereto. The Depositor should have copies of these documents in its possession. Such documents will, nevertheless, be made available on a confidential basis as required.

V. Reservation of Rights and/or Remedies

10. Nothing contained herein, nor the filing of this Proof of Claim, shall constitute or be construed as an admission by the Trustee of any liability or an election by the Trustee of any remedy or any acknowledgment of the positions of the Trustee with respect to any issue that is the subject of this Proof of Claim. The Trustee has filed this Proof of Claim under compulsion of the bar date established in these chapter 11 cases and to protect the Trust Fund from forfeiture of its claim against the Debtor by reason of such bar date. This Proof of Claim is in addition to, and not in lieu of, any other proof of claim filed by the Trustee or by Citibank,

N.A. in its individual capacity, in these chapter 11 cases. The Trustee reserves the right to assert an administrative expense claim under 11 U.S.C. § 503 for obligations arising out of Depositor's post-petition activities and/or the Indenture and Transfer Agreement and/or any agreement, instrument, certificate, or document executed in connection with the Indenture and Transfer Agreement, as in effect post-petition. The Trustee reserves the right to amend and/or supplement this Proof of Claim at any time, including after any bar date, in any manner, including for purposes of fixing the amount of the claim described above together with interest, fees (including legal fees) and expenses due to the Trustee or the Trust Fund, and/or to file additional proofs of claim for any additional claims against Debtor or any of its affiliates which may be based on the same or additional documents or grounds of liability.

11. The filing of this Proof of Claim is not and shall not be deemed or construed as: (a) a waiver or release of the Trustee's rights against any person, entity, or property, or a waiver of the right to compel Depositor to return property of the Trustee currently in the possession of Depositor; (b) a consent by the Trustee to the jurisdiction of this Court or any other court with respect to proceedings, if any, commenced in any case against or otherwise involving the Trustee or the Trust Account Property; (c) a waiver or release of the Trustee's right to trial by jury in this Court or any other court in any proceeding as to any and all matters so triable herein, whether or not the same be designated legal or private rights or in any case, controversy, or proceeding related hereto, notwithstanding the designation or not of such matters as "core proceedings" pursuant to 28 U.S.C. § 157(b)(2), and whether such jury trial right is pursuant to statute or the United States Constitution; (d) a consent by the Trustee to a jury trial in this Court or any other court in any proceeding as to any and all matters so triable herein or in any case, controversy, or proceeding related hereto, pursuant to 28 U.S.C. § 157(e) or otherwise; (e) a waiver or release of the Trustee's right to have any and all final orders in any and all non-

core matters or proceedings entered only after de novo review by the United States District Court; (f) a waiver of the right to move to withdraw the reference with respect to the subject matter of this Proof of Claim, any objection thereto or other proceeding which may be commenced in this case against or otherwise involving the Trustee; or (g) an election of remedies.
